

## Glenbuck War Memorial

Glenbuck War Memorial is similar to a headstone in a cemetery. It is made of grey granite and has a flag carved in relief on the left hand side.

It is set inside railings beside Muirkirk War Memorial (which see). The letters are incised in black.

### East Face

The  
Great War  
1914-1919

—  
These went forth  
but returned not to the  
land of their fathers  
—
